This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Ferguson-Florissant School District.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Highland Fleets. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to First Student, Inc. This agreement provides funding under the Inflation Reduction Act (IRA) to West Oakland Environmental Indicators Project.

The La Semilla Environmental Justice Collaborative Problem-Solving Project supports a neighborhood environmental justice project.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Porterville Unified School District.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Zum Services, Inc. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to RWC Group, Inc. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Canyon State Bus Sales, Inc. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to The Lion Electric Co. USA, Inc.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Evans Brant Central School District.

The purpose of this competitively selected cooperative agreement is to conduct ambient air monitoring of pollutants of greatest concern.

The cooperative agreement provides funding to New Haven Ecology Project, Inc. (NHEP). The project will engage community members to monitor air quality.

This assistance agreement provides funding under the Infrastructure Investment and Jobs Act to Peoria Public School District.

This action approves an award in the amount of \$1,078,000 to Miccosukee Tribe of Florida under the Safe Drinking Water Act.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern.

This agreement provides funding from the Infrastructure Investment and Jobs Act (IIJA). EPA's Solid Waste Infrastructure Finance and Innovation Fund (SWIFF) assistance agreement will provide technical assistance (e.g., information, training, and other support) to eligible states and localities.

This grant agreement provides funding under the Inflation Reduction Act (IRA) to VADEQ. The project to be funded, VADEQ's Air Quality Monitoring System Upgrade.

The agreement provides funding to the Middletown Rancheria of Pomo Indians of California to implement projects and activities that improve the health and welfare of the tribe.

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in the community.

This agreement provides funding under the Inflation Reduction Act (IRA) to Habematolel to develop or enhance climate resilience.

This action approves an award in the amount of \$52,019 under the Clean Air Act Grants under the Inflation Reduction Act to the City of San Francisco.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Little Rock School Board. This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Kern Union High School District.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern.

The purpose of this American Rescue Plan funded and competitively selected grant is to conduct air monitoring of pollutants of greatest concern.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58) to Upper Sioux Community.

This agreement provides funding under the Inflation Reduction Act (IRA) to Match-E-Be-Nash-She-Wish Pottawatomi Nation.

This agreement provides funding under the Inflation Reduction Act (IRA) to Little Traverse Bay Bands of Odawa Indians.

This agreement provides funding from the Infrastructure Investment and Jobs Act (IIJA) to the Saginaw Chippewa Tribal Nation.

The agreement provides funding under the Inflation Reduction Act to the Cook County Department of Environment and Sustainability.

The agreement provides funding under the Inflation Reduction Act to Ho-Chunk Nation for the expansion and enhancement of their air quality monitoring system.

This action approves an award in the amount of \$394,374 to Florida International University. The purpose of this award is to support the university's efforts to improve its air quality.

This action approves an award in the amount of \$498,401 under the Inflation Reduction Act to monitor their own air quality.

This action approves an award in the amount of \$233,660 to support the Alabama Department of Environmental Management's efforts to improve its air quality.

This action approves an award in the amount of \$64,825 to the Metropolitan Government of Nashville and Davidson County.

This action approves an award in the amount of \$377,295 to Georgia Environmental Protection Division under the Inflation Reduction Act.

This action awards \$60,008 in funding under the Inflation Reduction Act (IRA) to Miami-Dade County. The purpose of this award is to support the county's efforts to improve its air quality.

This action approves funding in the amount of \$63,065 to Hillsborough County Environmental Protection Commission under the Inflation Reduction Act.

This action approves funding in the amount of \$38,994 to Broward County under the Inflation Reduction Act (IRA). The purpose of this award is to support the county's efforts to improve its air quality.

This action approves an award in the amount of \$125,425 to Mississippi Department of Environmental Quality. The purpose of this award is to support the department's efforts to improve its air quality.

This action approves an award in the amount of \$28,368 to support the City of Huntsville to address concerns in the City of Huntsville.

This agreement provides funding under the Inflation Reduction Act (IRA) to Cherokee Nation. The purpose of this grant is to support the nation's efforts to improve its air quality.

This action approves an award in the amount of \$521,000 to the Tennessee Department of Environment and Conservation.

This action approves funding in the amount of \$103,000.00 to Tennessee Department of Environment and Conservation, EPA's Consumer Recycling Education and Outreach (REO) Grant Program will fund a range of projects that will increase waste recycling.

The purpose of this grant is to provide funding under the Infrastructure Investment and Jobs Act (IIJA) to Rincon Band of Lushai Nation.

The Rose Foundation for Communities and the Environment's New Voices are Rising's Youth Power for Water.

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in the San Joaquin Valley.

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in the San Joaquin Valley.

The purpose of this competitively selected cooperative agreement is to conduct ambient air monitoring of pollutants of greatest concern in the San Joaquin Valley.

This action provides partial funding in the amount of \$64,000 to support Jefferson County Health Department (JCDH). The purpose of this grant is to provide funding under the Infrastructure Investment and Jobs Act (IIJA) to support the health department's efforts to improve public health.

This Infrastructure Investment and Jobs Act (IIJA) assistance agreement will provide technical assistance (e.g., information, training, and other resources) to the health department.

This grant agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in the San Joaquin Valley.

This agreement provides funding under the Inflation Reduction Act (IRA). The purpose of this grant agreement is to obtain funding for the health department's efforts to improve public health.

This agreement provides financial assistance to the Town of Glocester, Rhode Island to conduct decentralized wastewater treatment system.

The purpose of this cooperative agreement is to support implementation of the Bipartisan Infrastructure Law (BIL) through the health department's efforts to improve public health.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Connecticut Department of Energy and Environmental Protection.

This cooperative agreement provides financial assistance to the Massachusetts Audubon Society to conduct planning, outreach, and other activities to improve public health.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Part 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Part 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

The primary purpose/objective of this program is to capitalize Minnesota's DWSRF program for funding Emerging Contaminant Monitoring.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (Part 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the public.

This agreement provides funding under the Inflation Reduction Act (IRA) to Michigan Department of Environment, Great Lakes, and Energy.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Minnesota Pollution Control Agency (MPCA).

This agreement provides funding under the Inflation Reduction Act (IRA) to Red Lake Band of Chippewa. The purpose of this grant is to provide funding for the health department's efforts to improve public health.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Mille Lacs Band of Ojibwe. The purpose of this grant is to provide funding for the health department's efforts to improve public health.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Leech Lake Band of Ojibwe. The purpose of this grant is to provide funding for the health department's efforts to improve public health.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Wisconsin Department of Natural Resources.

This agreement provides funding under the Inflation Reduction Act (IRA) to Ohio Environmental Protection Agency (OEPA).

This agreement provides funding under the Inflation Reduction Act (IRA) to the Inter-Tribal Council of Michigan to develop and implement a public health program.

This agreement provides funding under the Inflation Reduction Act to the Bad River Tribe of Lake Superior Chippewa Indians.

The agreement provides funding under the Inflation Reduction Act to Northeastern Illinois Railroad Corporation (Metra).

The agreement provides funding under the Inflation Reduction Act to Shakopee Mdewakanton Sioux Community to replace and improve its wastewater treatment system.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Montana Department of Environmental Conservation.

This action approves an award in the amount of \$32,122,000 to North Carolina Department of Environmental Quality to support the health department's efforts to improve public health.

This action approves an award in the amount of \$37,619,000 to the North Carolina Department of Environmental Quality to support the health department's efforts to improve public health.

This action approves an award in the amount of \$55,254,000 to support North Carolina Department of Environmental Quality to support the health department's efforts to improve public health.

This action approves an award in the amount of \$58,021,000 to provide funding to North Carolina Department of Environmental Quality to support the health department's efforts to improve public health.

This action approves an award in the amount of \$19,368,000 to the Mississippi State Department of Health dba Finance and Administration to support the health department's efforts to improve public health.

This action approves an award in the amount of \$3,596,000 to Georgia Environmental Finance Authority to support competitive grants to support the health department's efforts to improve public health.

This action approves an award in the amount of \$399,395 to Florida Keys Community College Main Campus. The purpose of this grant is to provide funding for the health department's efforts to improve public health.

This action approves funding under the Inflation Reduction Act (IRA) to South Carolina Department of Health and Environmental Control.

This action approves an award in the amount of \$234,328 to the Kentucky Energy and Environment Cabinet under the Inflation Reduction Act.

This action approves an award in the amount of \$89,707 to the Louisville-Jefferson Co. Metro Government under the Inflation Reduction Act.

[illegible]

This action approves an award in the amount of \$46,772 under the Infrastructure Investment and Jobs Act (IIJA) to Georgia.

This action approves an award in the amount of \$8,133,000 to Mississippi State Department of Health. The purpose of this award is to provide funding for the state's water infrastructure program.

This action approves an award in the amount of \$30,518,000 to Mississippi State Department of Health. This award authorizes the state to utilize funds to further the health protection of the state's water resources.

This action approves an award in the amount of \$87,062,000.00 to North Carolina Department of Environmental Quality. The purpose of this agreement is for a capitalization grant which provides funds for the North Carolina Department of Environment and Natural Resources to provide funding for the state's water infrastructure program.

This action approves an award in the amount of \$21,054,000.00 to provide funding to the North Carolina Department of Environment and Natural Resources.

This action approves an award in the amount of \$1,688,000.00 to the North Carolina Department of Environmental Quality. The purpose of this agreement is for a capitalization grant which provides funds for the state's water infrastructure program.

This action approves an award in the amount of \$3,838,000.00 to provide funding under the Infrastructure Investment and Jobs Act (IIJA) to the Oklahoma Water Resources Board's Capitalization Grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), for the purpose of providing funding for the state's water infrastructure program.

This agreement provides a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), for the purpose of providing funding for the state's water infrastructure program.

This agreement funds a capitalization grant for the recipient's Clean Water State Revolving Fund (CWSRF) program. The purpose of this agreement is for a capitalization grant which provides funds for the recipient's Drinking Water State Revolving Fund (DWSRF) program.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the state's water resources.

The purpose of this agreement is for a capitalization grant which provides funds for the recipient's Drinking Water State Revolving Fund (DWSRF) program.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the state's water resources.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in the state.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in the state.

This agreement provides funding to the New Mexico Finance Authority under the Safe Drinking Water Act: Section 1452 of the SDWA authorizes the state to utilize funds to further the health protection of the state's water resources.

This agreement provides funding to New Mexico Finance Authority. Safe Drinking Water Act (SDWA) Section 1452 of the SDWA authorizes the state to utilize funds to further the health protection of the state's water resources.

This agreement is to fund the State of Oregon's Water Quality Management Planning program to improve impaired water quality in the state.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the state's water resources.

This agreement provides supplemental funding under the Inflation Reduction Act (IRA) in the amount of \$10,028 to Idaho Department of Water Resources.

The agreement provides funding under Inflation Reduction Act to Washington Department of Ecology. The purpose of this agreement is to fund the State of Alaska's Water Quality Management Planning program to improve impaired water quality in the state.

EPA's Solid Waste Infrastructure for Recycling (SWIFR) Grants for Tribes and Intertribal Consortia will fund projects that fund the state's water infrastructure program.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), for the purpose of providing funding for the state's water infrastructure program.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA). The purpose of the project is to fund the State of Oregon's Water Quality Management Planning program to improve impaired water quality in the state.

This agreement is to fund the State of Oregon's Water Quality Management Planning program to improve impaired water quality in the state.

This action approves an award in the amount of \$233,000 to provide funding under the Inflation Reduction Act (IRA) to Alaska Department of Natural Resources.

This award is the result of a novation from South Carolina Department of Health & Environmental Control (SCDHEC) to the recipient.

This Infrastructure Investment and Jobs Act (IIJA) assistance agreement will provide technical assistance (e.g., information, training, and other support) to the recipient.

This grant is funded from the Infrastructure Investment and Jobs Act (IIJA) for continued support of VADEQ's project implementation.

This grant agreement provides funding under Inflation Reduction Act (IRA) to conduct ambient air monitoring of pollutants of greatest concern in the state.

This Infrastructure Investment and Jobs Act (also known as the Bipartisan Infrastructure Law) funded grant agreement will provide funding for the state's water infrastructure program.

This grant agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) (also known as the Bipartisan Infrastructure Law) for the purpose of providing funding for the state's water infrastructure program.

This agreement provides funding from the Infrastructure Investment and Jobs Act (IIJA). EPA's Solid Waste Infrastructure for Recycling (SWIFR) Grants for Tribes and Intertribal Consortia will fund projects that fund the state's water infrastructure program.

This agreement provides funding under the Inflation Reduction Act (IRA) to the New York State Department of Environmental Conservation.

This agreement provides funding under the Inflation Reduction Act (IRA) to NJDEP. The purpose of this grant is to support the state's water infrastructure program.

This agreement funds the recipient's program to review and assist with obtaining project easements, oversight of remediation, and other support.

This agreement provides funding under the Inflation Reduction Act (IRA) to Kansas Department of Health and Environment.

.

The purpose of this agreement is for a capitalization grant, funded by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), for the purpose of providing funding for the state's water infrastructure program.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of the state's water resources.

This agreement is to fund the Rhode Island Water Quality Management Planning program to improve impaired water quality in the state.

This agreement will provide funds, authorized by the Infrastructure Investment and Jobs Act (IIJA) (PL 117-58), to capitalize the state's water infrastructure program.

The Acterra: Action for a Healthy Planet's Building Community Capacity and Climate Resilience in Belle Haven and North Haven, Connecticut.

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in the state.

The purpose of this competitively selected grant agreement is to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding to Nevada Department of Environmental Protection (NDEP) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to Arizona Department of Environmental Quality (ADEQ) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Hawaii Department of Health (HDOH). The purpose of this grant agreement is to provide funding to the Hawaii Department of Health (HDOH) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the California Air Resources Board. The purpose of this grant agreement is to provide funding to the California Air Resources Board to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Blue Lake Rancheria to develop or enhance its ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The purpose of this grant agreement is to provide funding to Gila River Indian Community to develop or enhance climate change adaptation and resilience planning.

This agreement provides funding under the Inflation Reduction Act (IRA) to the San Carlos Apache Tribe to develop or enhance its ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Hopi Tribe to develop or enhance its ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides financial assistance to the Town of North Kingstown, Rhode Island to conduct decentralized wastewater treatment system (DDST) pilot projects.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Colorado Department of Public Health and Environment (CDPHE) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the South Dakota Department of Agriculture and Forestry (SDDAF) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement is to fund the State of Montana's Water Quality Management Planning program to improve impaired water bodies.

This agreement provides funding under the Inflation Reduction Act (IRA) to Micah Six Eight Mission. The recipient will use the funding to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides funding under the Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Maine Department of Environmental Protection (MEDEP) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The purpose of this competitively selected American Rescue Plan (ARP) funded grant agreement provides funding to EcoWatch to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This grant agreement provides funding under the Inflation Reduction Act (IRA) to the Cook County Department of Environmental Protection (CCDEP) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to the Illinois Environmental Protection Agency (IEPA) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act to Sault Ste. Marie Tribe of Chippewa Indians. Specific funding will be used to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Highland Fleets. This agreement will be used to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides funding under Inflation Reduction Act to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

Section 1452 of the Safe Drinking Water Act (SDWA) authorizes the state to utilize funds to further the health protection of public drinking water.

This action approves an award in the amount of \$437,545 to support Southern Research Institute to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action approves an award in the amount of \$440,000 to the National Coalition of 100 Black Women - Central Florida to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action approves an award in the amount of \$189,361 to the Tennessee Department of Environment and Conservation (TDEC) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action approves an award in the amount of \$159,375 to provide funding under the Inflation Reduction Act (IRA) to the Tennessee Department of Environment and Conservation (TDEC) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action approves an award in the amount of \$159,375 to provide funding under the Inflation Reduction Act (IRA) to the Tennessee Department of Environment and Conservation (TDEC) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The agreement provides conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to First Student, Inc. This agreement will be used to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to Highland CSB1, LLC. This agreement will be used to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

Under the statutory authority of Section 103 of the Clean Air Act and Section 60105(a) of the Inflation Reduction Act, the purpose of this grant agreement is to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The purpose of this American Rescue Plan-funded and competitively selected award is to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Inflation Reduction Act (IRA) to Affiliated Tribes of Northwest Indians to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action provides funding in the amount of \$30,660,000 to Highland CSB 1, LLC. The purpose of this project is to replace existing ambient air monitoring equipment with new equipment to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This action approves an award in the amount of \$80,000 to the Knox County Department of Air Quality Management. This award will be used to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This award is the result of a novation from South Carolina Department of Health & Environmental Control (SCDHEC) to the South Carolina Department of Health & Environmental Control (SCDHEC) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

EPA's Solid Waste Infrastructure for Recycling (SWIFR) grants for Tribes and Intertribal Consortia will fund projects that focus on improving waste management practices and infrastructure.

This agreement provides funding under the Inflation Reduction Act (IRA) to WVDEP. The objectives of this project are to improve ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This grant agreement provides federal funding to PADEP to research/test technologies for use in inspecting both Conventional and Non-Conventional sources of air pollution.

This grant agreement provides funding to the Air Quality Division of the District of Columbia's Department of Environment & Planning to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The Peconic Estuary Partnership (PEP) 2020 Comprehensive Conservation Management Plan (CCMP) guides the priorities for the Peconic Estuary Partnership (PEP) to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

This agreement provides funding under the Infrastructure Investment and Jobs Act (IIJA) to JP Bus and Truck Repair LTD to conduct, and promote the use of, ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.

The purpose of this competitively selected grant is to conduct ambient air monitoring of pollutants of greatest concern in communities with environmental justice concerns.
